Thapovanam

Sree Dakshinamoorthi Vidyapeeth

Spiritual University

Dakshinamurthy Vidyapeeth is a Shivalinga-shaped spiritual university established under the auspices of Kodakara Vattekkad Sree Dakshinamurthy Navagraha Temple under the guidance of Acharya Brahmasree Aswini deva Tantri. Once the construction is completed, this Vidyapeeth will be the largest Shivalinga in the world with a height of 144 feets. One of the primary aims of the Vidyapeeth is to create a society based on the virtues of the Dharma culture, facilitating the return of the prosperous period of vedas and Sanatana Dharma. Here the Vedas, Puranas, Upanishads, Shastras, Art, Sanskrit, etc. are taught according to the gurukula tradition. In this auspicious place for knowledge and education, we take an initiative to teach the spiritual facts once imparted by the great souls like Adi Shankara and Sree Narayana Deva. Knowledge, spirituality and humanity are imparted here in harmony with nature. Through this, we are working to create a new generation for the wellness of the world and the well-being and happiness of all living beings.
